EDUCATION

Doctor of Medicine	Michigan State University, College of Human Medicine, East Lansing, Michigan 1981
Bachelor of Arts	Kalamazoo College, Kalamazoo, Michigan 1977

POST GRADUATE TRAINING

Fellowship-Reconstructive Microsurgery	MECOM Microsurgical Institute Baylor Dept. of Plastic Surgery 1986-87 Houston TX
Chief Resident-Plastic Surgery	Grand Rapids Area Medical Education Ctr. 1985-86 Grand Rapids, Michigan
Plastic Surgery Residency	Grand Rapids Area Medical Education Ctr. 1984-86 Grand Rapids, Michigan
General Surgery Residency	Butterworth Hospital, 1982-84 Grand Rapids, Michigan
Medical Licensure	State of Michigan 1982 #44796 State of Texas 1986 #81107 State of North Carolina 1987-Present #31150

PROFESSIONAL SOCIETY MEMBERSHIP

American Society for Aesthetic Plastic Surgery
American Society of Plastic Surgeons
International Society for Aesthetic Plastic Surgery
North Carolina Society of Plastic Surgeons
Plastic Surgery Educational Foundation
Aesthetic Society Educational and Research Foundation

JOSEPH P. HUNSTAD, M.D., FACS
CURRICULUM VITAE
PAGE TWO

Southeastern Society of Plastic and Reconstruction Surgeons
American Medical Association
Florida State Society of Plastic Surgeons -- honorary
Mecklenburg County Medical Society

TEACHING APPOINTMENTS

Assistant Consulting Professor	Duke Medical Center Department of Surgery Division of Plastic Surgery 2000-2007
Clinical Assistant Professor	Department of Plastic Surgery University of North Carolina at Chapel Hill 1987-1994
Clinical Instructor	Department of Plastic Surgery Baylor College of Medicine 1986-1987

FOREIGN STUDY EXPERIENCE

Münster, West Germany (Advanced German Conversation and Composition, Art History, Travel; resided with a German Family)

CLINICAL PRESENTATIONS

Microvascular Reconstruction of a Massive Facial Injury, GRAMEC Research Day, April 1986
Pulmonary Fat Embolism: Does It Occur Following Suction Assisted Lipectomy?
ASPRS Annual Meeting, Atlanta, September 1987
Pulmonary Fat Embolism: Does It Occur Following Suction Assisted Lipectomy?
Southeastern Society of Plastic and Reconstructive Surgeons Annual Meeting, Florida, June 1987

JOSEPH P. HUNSTAD, M.D., FACS
CURRICULUM VITAE
PAGE THREE

CLINICAL PRESENTATIONS

The Fate of Injected Autologous Fat. Southeastern Society of Plastic and Reconstructive Surgeons Annual Meeting, Florida, June 1987

Pulmonary Fat Embolism: Does It Occur Following Suction Assisted Lipectomy?
Lipoplasty Society of North America Annual Meeting, Toronto, September 1988

The Fate of Injected Autologous Fat. The Lipoplasty Society of North America Annual Meeting, Toronto, September 1988

The Successful Treatment of Vascular Malformations with a Yellow Light Laser.
Southeastern Society of Plastic and Reconstructive Surgeons Annual Meeting, Kiawah Island, June 1990

Panel Moderator: Positive Body Contouring. The Lipoplasty Society of North America Annual Meeting, San Francisco, September 1990

Circumferential Abdominoplasty: Indications, Complications and Successes.
Southeastern Society of Plastic and Reconstructive Surgeons Annual Meeting, The Greenbrier, June 1991

Assistant Program Coordinator: The Lipoplasty Society of North America Annual Meeting, Seattle, September 1991

Training Session for Heraeus LaserSonics Laser Assisted Aspiration Cannula,
April, 1992

Circumferential Abdominoplasty: Indications, Complications and Successes, ASPRS Annual Meeting, Washington, DC, September 1992

Circumferential Body Contouring, Lipoplasty Society of North America, 10th Annual Meeting, Washington, DC, September 1992

Circumferential Body Contouring, Invited Guest Lecturer, Royal Belgian Society of Surgery, Belgium, February 1993

Syringe Liposculpture, Southeastern Society of Plastic and Reconstructive Surgeons, Hilton Head Island, June 1993

The Safety of Outpatient Abdominoplasty, American Society for Aesthetic Plastic Surgery, Boston, 1993

Advances in Body Contouring Surgery, Association of Plastic Surgery Assistants, New Orleans, September 1993

Plastic Surgery Issues for the Family Physician, 33rd Annual Postgraduate Seminar, Charlotte, 1993

CLINICAL PRESENTATIONS

Tumescent and Syringe Liposculpture, Lipoplasty Society of North America, New Orleans, 1993

Tumescent and Syringe Liposculpture, International Society of Aesthetic Plastic Surgery, Paris, 1993

Circumferential Body Contouring, International Society of Aesthetic Plastic Surgery, Paris, 1993

The Tumescent Technique, Lipoplasty Society of North America, San Diego, 1994

Anatomy of Breast and Abdomen, Invited Faculty, Endoscopic Plastic Surgery Seminar, San Diego, 1994

Tumescent Technique - Its Evolution and Applications, Invited Guest Lecturer, Florida Society of Plastic and Reconstructive Surgeons, St. Petersburg, 1994

Circumferential Body Contouring, Invited Guest Lecturer, Florida Society of Plastic and Reconstructive Surgeons, St. Petersburg, 1994

Addressing Difficult Areas In Liposuction With Emphasis on the Tumescent and Syringe Technique, Invited Guest Lecturer, Florida Society of Plastic and Reconstructive Surgeons, St. Petersburg, 1994

The Tumescent Technique: A Safe and Efficacious Method to Minimize Blood Loss and Provide Conscious Anesthesia for Liposuction Procedures, American Society for Aesthetic Plastic Surgery, Dallas, 1994

The Safety of Outpatient Abdominoplasty, 8th Annual British Virgin Islands Workshop in Plastic Surgery, British Virgin Islands, 1994

Circumferential Body Contouring and Syringe and Tumescent Liposculpture, 8th Annual British Virgin Islands Workshop in Plastic Surgery, British Virgin Islands, 1994

Advanced Body Contouring, Instructional Course, Lipoplasty Society of North America Spring Symposium, Dallas, 1994

Anatomical Consideration in Body Sculpting Endoscopy, Faculty, Lipoplasty Society of North America Spring Symposium, Dallas, 1994

Standard and Extended Abdominoplasty, Invited Faculty, SESPRS Symposium, Boca Raton, 1994

Flankplasty, Medial Thigh Lifts, Body Lifts, Invited Faculty, SESPRS Symposium, Boca Raton, 1994

Fat Grafting, Invited Faculty, SESPRS Symposium, Boca Raton, 1994

Tumescent Technique, Faculty, 9th Annual British Virgin Islands Workshop in Plastic Surgery, British Virgin Islands, January 1995

Experience with Uebel Micrografting, Faculty, 9th Annual British Virgin Islands Workshop in Plastic Surgery, British Virgin Islands, January 1995

The Tumescent Technique, American Society for Aesthetic Plastic Surgery, San Francisco, April 1995

CLINICAL PRESENTATIONS

Tumescent Technique, Invited Faculty, Aesthetic Breast & Body Contouring Symposium, New York, May 1995
Syringe Liposuction, Invited Faculty, Aesthetic Breast & Body Contouring Symposium, New York, May 1995
Fat Grafting: History & Research, Invited Faculty, Aesthetic Breast & Body Contouring Symposium, New York, May 1995
Circumferential Body Contouring for Weight Loss and Obesity, Invited Faculty, Aesthetic Breast & Body Contouring Symposium, New York, May 1995
Lipid Profile Analysis Changes Following Liposuction, Southeastern Society of Plastic and Reconstructive Surgeons, Ponte Vedra Beach, June 1995
Guidelines Ensuring Safety When Using the Tumescent Technique, Southeastern Society of Plastic and Reconstructive Surgeons, Ponte Vedra Beach, June 1995
Circumferential Abdominoplasty for Massive Weight Loss in Obese Patients, Grand Rounds - Dept. of Plastic Surgery, Butterworth Hospital, Grand Rapids, July 1995
Experience with Versed-Sublimaze-Ketamine VSK Anesthesia, 10th Annual Recent Advances in Plastic Surgery, ASPER, Beverly Hills, August 1995
Circumferential Body Contouring, 10th Annual Recent Advances in Plastic Surgery, ASPER, Beverly Hills, August 1995
Addressing Difficult Areas in Liposuction with Emphasis on Tumescent and Syringe, 10th Annual Recent Advances in Plastic Surgery, ASPER, Beverly Hills, August 1995
Modified Rapid Tumescent Technique, 10th Annual Recent Advances in Plastic Surgery, ASPER, Beverly Hills, August 1995
The Safety and Efficacy of VSK Anesthesia, International Society of Plastic Surgeons, New York, September 1995
Liposculpting Course, Co-Chairman, International Society of Plastic Surgeons, New York, September 1995
Tumescent Abdominoplasty, Lipoplasty Society of North America, Montreal, October 1995
Tumescent Micrografting, Lipoplasty Society of North America, Montreal, October 1995
The Tumescent Technique, Montreal, American Society of Plastic and Reconstructive Surgeons, Invited Speaker, October 1995
The Tumescent Technique: History, Technical Refinements, and Non-liposuction Uses, Aesthetic Plastic Surgery Symposium, West Palm Beach, November 1995
Circumferential Body Contouring for Massive Weight Loss and Obesity, Aesthetic Plastic Surgery Symposium, West Palm Beach, November 1995
Endoscopic Breast Augmentation, Aesthetic Plastic Surgery Symposium, West Palm Beach, November 1995

CLINICAL PRESENTATIONS

Guidelines Ensuring Safety When Using the Tumescence Technique, Tenth Annual British Virgin Islands Workshop in Plastic Surgery, Tortolla, January 1996
Metabolic Changes Following Liposuction, Tenth Annual British Virgin Islands Workshop in Plastic Surgery, Tortolla, January 1996
Experience With Sharplan XJ150 Laser, Tenth Annual British Virgin Islands Workshop in Plastic Surgery, Tortolla, January 1996
Tumescence Suction Lipectomy, Tenth Annual British Virgin Islands Workshop in Plastic Surgery, Tortolla, January 1996
Tumescence Suction Lipectomy, Plastic Surgery Educational Foundation, New Horizons in Aesthetic Surgery, Monterey, February 1996
Experience with Surgilase XJ150 Laser System, Baker Gordon Conference, Miami, February 1996
Tumescence Technique, Plastic Surgery Educational Foundation, Perspectives and Advances in Plastic Surgery Symposium, Aspen, February 1996
Syringe Technique and Ultrasonic Liposuction, Plastic Surgery Educational Foundation, Perspectives and Advances in Plastic Surgery Symposium, Aspen, February 1996
Liposuction of the Face and Neck, Plastic Surgery Educational Foundation, Perspectives and Advances in Plastic Surgery Symposium, Aspen, February 1996
Circumferential Body Contouring, Plastic Surgery Educational Foundation, Perspectives and Advances in Plastic Surgery Symposium, Aspen, February 1996
Body Contouring - Liposuction: Complications and Pitfalls, Plastic Surgery Educational Foundation, Perspectives and Advances in Plastic Surgery Symposium, Aspen, February 1996
Invited Guest Lecturer, South Carolina Society of Plastic Surgeons, Greenwood, South Carolina, March 1996
Liposuction and Body Contouring, Thigh Lift Problems, Advances in Abdominoplasty Technique, Invited Guest Lecturer, British Association of Plastic Surgeons, Leicester, England, March 1996
Tumescence Technique Teaching Course, American Society for Aesthetic Plastic Surgery, Orlando, May 1996
Lipoplasty Update Panel, American Society for Aesthetic Plastic Surgery, Orlando, May 1996
High Pressure Rapid Tumescence Technique, American Society for Aesthetic Plastic Surgery, Orlando, May 1996
Experience with the Sharplan XJ150 Laser, Hospitality Breakfast, American Society for Aesthetic Plastic Surgery, Orlando, May 1996

JOSEPH P. HUNSTAD, M.D., FACS
CURRICULUM VITAE
PAGE SEVEN

CLINICAL PRESENTATIONS

Chairman, Tumescent Surgery Symposium, Charlotte, May 1996 Instrumentation Panel/Formula and Tips - Moderator, Tumescent Surgery Symposium, Charlotte May 1996

Mega-Volume Liposuction Panel, Tumescent Surgery Symposium, Charlotte, May 1996

Head and Neck Panel, Tumescent Surgery Symposium, Charlotte, May 1996

Tumescent Technique Without General Anesthesia Panel, Tumescent Surgery Symposium, Charlotte, May 1996

Use of Tumescent Technique in Association with Body Contouring Panel, Tumescent Surgery Symposium, Charlotte, May 1996

Non-Liposuction Uses Panel, Tumescent Surgery Symposium, Charlotte, May 1996

Endoscopic Laser Brow Lift with Resurfacing, Minimally Invasive and Endoscopic Plastic Surgery Seminar, Third Endosurgery Symposium, Duke University Medical Center, Durham, May 1996

Tumescent Liposuction, Third Endosurgery Symposium, Minimally Invasive and Endoscopic Plastic Surgery Seminar, Duke University Medical Center, Durham, May 1996

Co-Chairman, Body Contouring in the 90's Symposium, Lake Tahoe, June 1996

Tumescent Panel - Moderator, Body Contouring in the 90's Symposium, Lake Tahoe, June, 1996

Abdominoplasty Panel Current Technique - Moderator, Body Contouring in the 90's Symposium, Lake Tahoe, June 1996

Laser Blepharoplasty and Laser Endoscopic Brow Lift, Grand Rounds, Butterworth Hospital, Grand Rapids, Michigan, August 1996

Complications of Body Contouring, Grand Rounds, Butterworth Hospital, Grand Rapids, August 1996

Ultrasonic Assisted Liposuction Training Course, Nashville, September 1996

Canadian Society for Aesthetic (Cosmetic) Plastic Surgery, 23rd Annual Meeting, Tumescent Technique Used in Liposuction Under Local Anesthesia Live Surgery, Quebec City, Canada, September 1996

Tumescent Liposuction, Canadian Society for Aesthetic (Cosmetic) Plastic Surgery, 23rd Annual Meeting, Quebec City, Canada, September 1996

Circumferential Body Contouring in Obesity, Panel Member, Lipoplasty Society of North America, Dallas, November 1996

Tumescent Technique, Panel Moderator, Lipoplasty Society of North America, Dallas, November 1996

JOSEPH P. HUNSTAD, M.D., FACS
CURRICULUM VITAE
PAGE EIGHT

CLINICAL PRESENTATIONS

History of the Tumescent Technique, Lipoplasty Society of North America, Dallas, November 1996

Tumescent Technique Teaching Course, Lipoplasty Society of North America, Dallas, November 1996

Breakfast with the Experts with Dr. Fred Grazer, Lipoplasty Society of North America, Dallas, November 1996

Laser Blepharoplasty, Laser Assisted Endoscopic Browlift and Resurfacing, Tumescent Liposuction, 11th Annual British Virgin Islands Workshop in Plastic Surgery, Tortola, British Virgin Islands, January 1997

Tumescent Technique, Current Techniques/Thigh and Arm Lift, Body Contouring Panel, Facial Liposuction and Fat Grafting, Aesthetic Facial Surgery Panel, PSEF Perspectives and Advances in Plastic Surgery Symposium, Snowbird, Utah, February 1997

Advanced Body Contouring, East Grinstead, British Association of Aesthetic Plastic Surgeons Instructional Meeting, West Sussex, England, March 1997

The Tumescent Technique: An Evolution, Visiting Professor -Houston Society of Plastic Surgeons, Houston, March 1997

Circumferential Abdominoplasty, St. Joseph's Hospital, Grand Rounds, Houston, March 1997

Scientific Session Panel, Advances in Skin Excisional Body Contouring, Teaching Course, Tumescent Technique Plus, American Society for Aesthetic Plastic Surgery Annual Meeting, New York, New York, May 1997

Building and Developing Your Aesthetic Practice, Liposuction, Post-operative Care: Is Yours State-of-the-Art?, Photographic Techniques, Carl Troilus Symposium, Malmo, Sweden, May 1997

Liposuction of the Face, British Association of Aesthetic Plastic Surgeons, London, England, June 1997

Panelist, Body Sculpting, Trunk, Hips, Thigh Contouring, Panel Moderator, Hydrotomy/Wetting Solutions/Safety Update, Instructional Course, Tumescent Technique/Guidelines & Non-Lipoplasty Uses, Breakfast with the Experts Lipoplasty Society of North America Annual Scientific Program, San Francisco, California, September 1997

Nuances of Breast Reconstruction, Invited Visiting Professor- Michigan State Medical Society Annual Scientific Meeting, Dearborn, Michigan, November 1997

JOSEPH P. HUNSTAD, M.D., FACS
CURRICULUM VITAE
PAGE NINE

CLINICAL PRESENTATIONS

Meeting Proctor representing the ASPRS Coding Educational Committee, American Society of Plastic & Reconstructive Surgeons CPT/ICD-9 Coding Workshop, Atlanta, Georgia, November 1997

Advances in Facial and Body Contouring including Ultrasound-Assisted Lipoplasty (UAL) Workshop, Face and Neck Fat Contouring, Laser Blepharoplasty, Laser Endobrow Lift with Fixation, Brachioplasty and Suction Brachioplasty, Ultrasound Assisted Lipoplasty Workshop, Avoiding Complications, Panelist, Comparing UAL and SAL, University of Utah, Park City, Utah, February 1998

Liposuction: Personal Perspectives including Large Volume, Advanced Abdominoplasty and Body Contouring, Fat Augmentation, PSEF Perspectives and Advances in Plastic Surgery Symposium, Vail, Colorado, March 1998

Honorary Speaker, The Tumescence Technique – History, Guidelines and Technical Refinement, Circumferential Abdominoplasty for Massive Weight Loss and Obesity, Complications of Breast Augmentation Surgery, Panel Discussion with Drs. James Baker, Joseph Hunstad, and Richard Mladick; Fat Grafting, Face and Neck Fat Contouring, Is There a Role for Endermologie®?; Abdominoplasty Refinement: Improved Results with Concurrent Aggressive Myofascial Plication, Tumescence Liposuction, and Subscarpal Excision, The University of Toronto 28th Annual Symposium on Aesthetic Plastic Surgery, Toronto, CANADA April, 1998

Circumferential Abdominoplasty: Successful Body Contouring of the Obese Patient; Body Contouring/Tumescence Surgery Teaching, Body Contouring/Advanced Abdominoplasty Techniques Dr. Joseph Hunstad, 1998 Global Summit on Aesthetic Plastic Surgery, Los Angeles, CA, May 1998

Physical Principles Instrumentation Overview; Comparing UAL and SAL Panel with Drs Joseph Hunstad, Alan Matarasso, Valerie Ablaza, Richard D'Amico, and Armand Lucas; UAL Lab Workshop Instructor with Drs. Joseph Hunstad, Alan Matarasso, Valerie Ablaza, Richard D'Amico, Gregory Georgiade, L. Scott Levin, Armand Lucas, and Gregory Ruff at the UAL Regional Course Program, Duke University Medical Center, Duke University, Durham, NC, June 1998

Breakfast with the Experts, Dr. Joseph Hunstad; Tumescence Technique, Dr. Joseph Hunstad; Advanced Abdominoplasty Concepts, Dr. Joseph Hunstad; Lipoplasty Society of North America, The 16th Annual Scientific Program, Boston Massachusetts, October 2-3, 1998

JOSEPH P. HUNSTAD, M.D., FACS
CURRICULUM VITAE
PAGE TEN

CLINICAL PRESENTATIONS

Abdominoplasty Refinement: Improved Results with Concurrent Aggressive Myofascial Plication, Tumescant Liposuction, and Subscarpal Fat Excision – Session Official Speech; Circumferential Abdominoplasty for Massive Weight Loss and Obesity, - Pre-Congress International Course Conference; Fat Grafting: Historical Perspective, Research and Current Technical Refinements – Round Table: Facial Grafting; The Tumescant Technique: History, Refinements, and Guidelines Ensuring Safety –Invited Visiting Professor- Pre-Congress International Course Conference; XXVIII Congreso Argentino De Cirugia Plastica, Sociedad Argentina De Cirugia Plastica, Argentine Congreso on Plastic Surgery, Cordoba, Argentina, November 7-11, 1998

Faculty member, Advanced Abdominoplasty Concepts, Dr. Joseph Hunstad; 13th Annual British Virgin Islands Workshop in Plastic Surgery, Tortola, British Virgin Islands, January 25-29, 1999

Chairman and Faculty, Employee Issues and Strategies, Dr. Joseph Hunstad; Large Volume SAL and Comparison of SAL & UAL, Dr. Joseph Hunstad; Body Lifting and Circumferential Abdominoplasty, Dr. Joseph Hunstad; Summit on Plastic Surgery at Squaw Creek Resort, Reno, Nevada, February 17-22, 1999

Invited Guest Speaker, Dr. Joseph Hunstad, Aesthetic Plastic Surgery Update; SAL vs. UAL in Suction Lipectomy; Chicago Society of Plastic Surgery, 1999 Midwest Clinical Conference, Chicago, Illinois, February 26-27, 1999

Course Faculty, Dr. Joseph Hunstad, Lifting Frontal Endoscopico con tornillos de fijacion (Endoscopic Brow Lift with Screw Fixation); Remodelacion grasa de cara y cuello (Fat Contouring of Face and Neck); Blefaroplastia con Laser (Laser Blepharoplasty); Fat Grafting, Erbium-Laser CO2 – Surgeon: Dr. Joseph P. Hunstad; Institut Vila-Rovira Cirurgia Plastica I Estetica, IV Curso Internacional de Cirugia Estetica Facial (IV International Course of Aesthetic Facial Surgery), Barcelona, Spain, March 12-13, 1999

Perspectives and Advances in Plastic Surgery, ASPRS/PSEF, Vail, Colorado, March 13-17, 1999

Faculty, Dr. Joseph Hunstad, Body Contouring/Tumescant, Body Contouring; Revisited Panel, Safety Issues in Large Volume Lipoplasty; American Society For Aesthetic Plastic Surgery, The Aesthetic Surgery Education And Research Foundation, Lipoplasty Society, New Frontiers In Aesthetic Surgery, Dallas, Texas, May 14-19, 1999

Special Guest, Dr. Joseph Hunstad, Endoscopic Brow Lift with Screw Fixation; Circumferential Abdominoplasty; Advanced Abdominoplasty Concepts; Fat contouring of the Face and Neck; Sociedade Brasileira De Cirurgia Plastica – Regional Sao Paulo

JOSEPH P. HUNSTAD, M.D., FACS
CURRICULUM VITAE
PAGE ELEVEN

CLINICAL PRESENTATIONS

(The Brazilian Society of Plastic Surgery – Sao Paulo), 19th Jornada Paulista De Cirurgia Plastica, Sao Paulo, Brazil, May 28-29, 1999

Invited Speaker-Panelist, Panel Discussion, Body Contouring; Southeastern Society of Plastic and Reconstructive Surgeons, 42nd Annual Scientific Meeting, Boca Raton, Florida, June 5-9, 1999

Guest Professor, Advanced Abdominoplasty Concepts; Forehead Endoscopy External Fixation; Tumescence Liposuction Update; International Society of Aesthetic Plastic Surgery, 3rd Brazilian ISAPS Symposium, Porto Alegre, Brazil, September 16-18, 1999

Keynote Speaker, Endoscopic Brow Lift with Screw Fixation; Circumferential Abdominoplasty Concepts; Advanced Abdominoplasty Concepts; Tumescence In Lipoplasty; The Israel Society of Plastic Surgeons, 26th Annual Meeting of the Israel Society of Plastic Surgery, Tel-Aviv, Israel, October 13-14, 1999

Committee, Task Force on Liposuction Research; ASPRS/PSEF Joint Outcomes Committee; American Society of Plastic And Reconstructive Surgeons, Plastic Surgery Educational Foundation, American Society of Maxillofacial Surgeons, 68th Scientific Meeting ASPRS PSEF ASMS, New Orleans, Louisiana, October 23-27, 1999

Invited Professor, Fat Grafting – History and Current Techniques; Circumferential Abdominoplasty; Advanced Abdominoplasty Techniques; Instituto De Cirugia Reconstructiva De Jalisco, XXVI Simposio Annual Internacional De Cirugia Plastica Estetica (XXVI Annual International Symposium on Aesthetic Plastic Surgery), Puerto Vallarta, Jalisco, Mexico, November 10-13, 1999

Guest Speaker, Fat and Dermal Fat Grafting: Historical Perspective, Technical Refinement, Long Term Results; Medical Education Collaborative and Obagi Dermatology Medical Clinics, Skin Rejuvenation for the New Millenium, Beverly Hills, California, November 17-18, 1999

Faculty, Spectrum Health, 14th Annual British Virgin Islands Workshop in Plastic Surgery, Tortola, British Virgin Islands, January 24-28, 2000

Invited Speaker, Large Volume SAL/UAL; Approach to Iatrogenic Injuries; Extended Abdominoplasty; American Society of Plastic and Reconstructive Surgeons, Plastic Surgery Educational Foundation, Massachusetts General Hospital, Perspectives and Advances in Plastic Surgery, Vail, Colorado, March 12-15, 2000

Faculty, Practical Endoscopic Brow Lifting; Circumferential Abdominoplasty; Advanced Abdominoplasty; The Foundation For Facial Plastic Surgery, The Foundation For Facial Plastic Surgery Meeting, Aspen, Colorado, March 15-18, 2000

Instructor, Tumescence Surgery; Abdominoplasty/ Comprehensive/Circumferential, Panelist, Safety Standards in Lipoplasty; The American Society for Aesthetic Plastic Surgery, ASAPS Annual Aesthetic Meeting, Orlando, Florida, May 12-17, 1999

JOSEPH P. HUNSTAD, M.D., FACS
CURRICULUM VITAE
PAGE TWELVE

CLINICAL PRESENTATIONS

Guest Faculty, Advanced Abdominoplasty Concepts; Circumferential Body Contouring for Massive Weight Loss and Obesity; Endoscopic Browlift with Screw Fixation: A Safe, Effective and Inexpensive Technique; Sociedad Espanola De Cirugia Plastica Reparadora Y Estetica, Federacion Iberolatinoamericana De Cirugia Plastica, II International Advances In Plastic And Aesthetic Surgery, Barcelona, Spain, September 20-23, 2000
Faculty Member, Fat and Dermal Fat Grafting – Long Term Results; Soft Tissue Contouring of the Head and Neck; Grand Rapids Medical Education & Research Center For Health Professionals, 15th Annual British Virgin Islands Workshop in Plastic Surgery, Tortola, British Virgin Islands, January 22-26, 2001

Invited Guest Professor, Abdominoplastia Circunferencial (Circumferential Abdominoplasty); Tecnicas en Abdominoplastia: Avances (Advanced Abdominoplasty Techniques); Liposucion De Alto Volumen, Es Segura? (High Volume Liposuction Is It Safe?); Tecnicas Tumescentes: Actualizacion (Tumescent Techniques/Updates); Injertos Dermograsos (Fat/Dermal Fat Grafts); Sociedad Colombiana De Cirugia Plastica, Estetica, Maxilofacial y De La Mano – Seccional Central (Colombian Society of Plastic, Aesthetic, Maxilofacial and Hand Surgery Central Section), IV Symposium Cirugia Estetica Del Seno Y Del Contorno Corporal Actualizacion Del Milenio (IV Symposium Aesthetic Surgery Of Breast And Body Contouring, The Millennium Update, Bogota, Colombia, February 16-17, 2001

Invited guest faculty, Dermal Grafts: Postrhinoplasty Depressions, Lip Augmentation, and Other Uses, Circumferential Body Lifts: Emphasis on Technique, UAL Today, A Simplified External Screw Fixation Technique for Brow lifting, Perspectives and Advances in Plastic Surgery, American Society of Plastic Surgeons, Plastic Surgery Educational Foundation, and the Massachusetts General Hospital, March 10 – 14, 2001
Vail Colorado

Faculty Member, Abdominal Nuances to Enhance Results, Power Assisted Liposuction Revisited, 17th Annual British Virgin Islands Workshop in Plastic Surgery, Tortola, British Virgin Islands, January 27-January 31, 2003

Instructor teaching course Comprehensive abdominoplasty -- including circumferential concepts, The Aesthetic Society for Aesthetic Plastic Surgery Meeting April 2004
Abdominoplasty Combined with Extensive Lipoplasty -- interactive video by invitation
The American Society for Aesthetic Plastic Surgery annual meeting April 20, 2004

Invited Professor –XIII Curso Internacional de Cirugia Estetica (Colombian Society of Aesthetic Surgery) -- Santa Marta Colombia August 11-14, 2004. Endoscopic brow lifting, Advanced abdominoplasty concepts, Variations in body contouring including UAL, PAL and tumescent liposuction, S-lift details, techniques, and indications
Abdominoplasty with Extensive Liposuction -- the annual scientific meeting of the North Carolina Society of Plastic Surgeons, September 12, 2004

JOSEPH P. HUNSTAD, M.D., FACS
CURRICULUM VITAE
PAGE THIRTEEN

CLINICAL PRESENTATIONS

Invited Professor -- the Scandinavian Liposculpturing Symposia -- live surgical demonstration of abdominal tumescent liposuction and abdominal etching, Circumferential Body Lifting for the Massive Weight Loss and Obese Patient, Abdominoplasty in Conjunction with Full Abdominal Liposuction, Liposuction -- Technical Aspects, Indications and Limitations, Copenhagen Denmark -Sept. 17, 2004

Invited Professor, Abdominoplasty with Extensive Liposuction, Complete Abdominoplasty Revision, Endoscopic Brow Lift with Screw Fixation -- 100 Patient Analysis, Advanced Abdominoplasty Concepts Including Sub-Scarpal Fat Resection and Wrap Muscle Plication, One Year Experience with Radiance FN Injectable Hydroxyl Appetite Implant--XXXI Annual International Symposium on Aesthetic Plastic Surgery, Puerto Vallarta Mexico, November 2004

Abdominoplasty with Extensive Liposuction, and My Experience with MACS Lifts (S-Lifting), Invited Faculty, the 19th Annual Virgin Islands Workshop in Plastic Surgery, St. John's, USVI February 14 and 15, 2005

Advanced abdominoplasty, My Experience with MACS Lifts (S-Lifting), the International Consortium of Aesthetic Plastic Surgeons annual meeting, Havana Cuba March 4-8 2005

Advanced Abdominoplasty Concepts Including Liposuction and Circumferential Abdominoplasty for Massive Weight Loss and Obesity Teaching Courses, The American Society for Aesthetic Plastic Surgery Annual Meeting New Orleans April 29, 2005

Advanced Abdominoplasty Concepts invited Faculty -- Nordic Light Course, International Society of Aesthetic Plastic Surgery, Stockholm June 17, 2005

Advanced abdominoplasty -- lecture and live surgical demonstration -- Invited Professor -- 32nd annual meeting of the Canadian Society for Aesthetic (Cosmetic) Plastic Surgery -- September 9 and 10, 2005, Vancouver Canada

Combining Liposuction with Body Contouring and Ancillary Procedures for Massive Weight Loss, Invited Faculty, the 20th Annual Virgin Islands Workshop in Plastic Surgery, January 30 -- February 3, 2006

Body Contouring for the Massive Weight Loss Patient, Invited Speaker, Current Advances in Bariatric Surgery, New Procedures, Patient Benefits, The New York Regional Society of Plastic Surgeons, April 8, 2006

Ancillary Procedures Following Massive Weight Loss, the 21st annual Virgin Islands workshop in plastic surgery, January 29 -- February 3, 2007, St. John's US VI

Ancillary Procedures Following Massive Weight Loss, Circumferential Abdominal Plastic for Massive Weight Loss, Advanced Abdominoplasty Concepts, The Electric Macs Lift, invited visiting professor, the IV International Symposium on Aesthetic Plastic Surgery, March 21 -- 24, 2007, Monterrey Mexico

Brachioplasty and Ancillary Procedures Following Massive Weight Loss -- Rehabilitation of the Post Bariatric Patient Special Seminar -- Invited Faculty, The American Society for Aesthetic Plastic Surgery Annual Meeting, April 20, 2007, New York City

JOSEPH P. HUNSTAD, M.D., FACS
CURRICULUM VITAE
PAGE FOURTEEN

CLINICAL PRESENTATIONS

Advanced Abdominoplasty Concepts and Circumferential Abdominoplasty for Massive Weight Loss and Obesity teaching courses, The American Society for Aesthetic Plastic Surgery Annual Meeting, April, 2007, New York City
Ancillary Procedures Following Massive Weight Loss, invited faculty, The International Consortium for Aesthetic Plastic Surgeons Annual Meeting, April 30 through May 6, 2007, Jordan
Six Year Experience with Electric MACS Lift, invited faculty, Recent Advances in Plastic Surgery VI, August 30 1 -- September 2, 2007, Belgrade Serbia
Ancillary Procedures after Massive Weight Loss, invited faculty, Recent Advances in Plastic Surgery VI, August 30 1 -- September 2, 2007, Belgrade Serbia
Circumferential Body Lift, invited faculty, Recent Advances in Plastic Surgery VI, August 30 1 -- September 2, 2007, Belgrade Serbia
Advanced Abdominoplasty Concepts, invited faculty, Recent Advances in Plastic Surgery VI, August 30 1 -- September 2, 2007, Belgrade Serbia
The Impact of MACS Lift on a Private Practice, invited faculty, CATFAS II, September 21, 2007, Ghent Belgium

BOARD STATUS

Federal Licensing Examination	December, 1981
Plastic Surgery Board Examination Part I	April, 1987
Plastic Surgery Certified Examination Part II	November, 1989

Board Certified, The American Board of Plastic Surgery - Certificate #3645,	1989
Body Contouring Research Foundation (BCRF)	May 2002

PROFESSIONAL ACTIVITIES

President	North Carolina Society of Plastic Surgeons 2003-2004
President-Elect	Lipoplasty Society of North America October, 1997 – October, 1999
President –Elect	North Carolina Society of Plastic Surgeons 2003
Chairman	Body Contouring Research Foundation, 2002 -- 2004
Board of Directors	Lipoplasty Society of North America
